

WEST YORKSHIRE POLICE AND CRIME PANEL

9 March 2018

DELIVERY QUARTERLY REPORT (to December 2017)

1.0 PURPOSE

- 1.1 This performance report aims to set out a summary of the performance information scrutinised and the issues raised by me in relation to the delivery measures contained in the Police and Crime Plan and wider environmental scanning.
- 1.2 The report is now presented in one document and includes:
 - An overview of all delivery measures in the Police and Crime Plan with current performance information (page 1).
 - A section summarising progress made in the last quarter to deliver against each of the four outcomes in the police and crime plan (pages 2-13).
 - An actions log summarising the key actions and updates taken from the Delivery Quarterly meetings with the Chief Constable. (Pages 14-16)
 - A glossary of terms used within the report (page 17).
- 1.3 The data included in the report comes from several sources of national and local information, including police performance reporting, data from the Office of the Police and Crime Commissioner (OPCC), Her Majesty's Inspectorate of Constabulary and Fire & Rescue Services (HMICFRS) Inspection reports, Crime Survey for England and Wales (CSEW), user satisfaction survey, Ministry of Justice and the Local Criminal Justice Board (LCJB).
- 1.4 Data contained within the report covers the 12 month period of January 2017 to December 2017 unless otherwise stated. Please note that data sources were correct and up to date at the time the report was produced. The data may have changed or moved on slightly since this report was published as crime and community safety is a continually developing area. It is important to note that this is not an exhaustive account of delivery activity in West Yorkshire but rather an overview to present any issues and provide reassurance.

2.0 WHERE CONSIDERED

- 2.1 On 5th of February 2018 I held the delivery quarterly meeting with the Chief Constable to discuss the data and issues highlighted within the report and the progress against the delivery measures in the Police and Crime Plan.

Information and data relating to the wider partnership input has been gathered through Community Safety Partnership forums and other meetings.

2.2 There are some key considerations that I am keeping in mind when looking at performance over the past 12 months, and I will continue to consider going forward:

- HMICFRS assessment of West Yorkshire Police – the 2017 **PEEL assessment** has judged the Force as **GOOD** across the pillars of efficiency and legitimacy. The Effectiveness assessment of West Yorkshire is due in March 2018 and will complete the 2017 PEEL grading.
- The Police and Crime Plan 2016-21 sets out the strategic direction for West Yorkshire Police and partners over five years. I am keen to ensure that it is delivered in partnership and as such this report will include a focus on the police delivery and partner delivery and OPCC delivery.

2.3 Key issues discussed include:

- **HMICFRS is regularly awarding GOOD** gradings in its inspections of West Yorkshire Police and is due to release the final inspection report for the overall PEEL 2017 assessment in March 2018.
- **Victim satisfaction** has continued to decline over the past two years. This is discussed repeatedly with the Chief Constable and work is ongoing to ensure that victims of crime are given the service and support they need.
- **The Courts Service** is currently undergoing a period of significant change which is impacting on the efficiency and effectiveness of the wider system. As Chair of the LCJB I continue to address this issue.

2.4 This report will be made available on the OPCC website for the public to consider.
