

WEST YORKSHIRE POLICE AND CRIME PANEL

13 July 2018

Transformation Fund Review Recommendations Implementation

1. Purpose

- 1.1 To provide Panel members with an update against implementation of the recommendations made by members of the Police and Crime Panel Scrutiny Review Team in their December 2017 report.

2. Background

- 2.1 The Scrutiny Review Team reviewed the oversight of the West Yorkshire Transformation Fund and made a number of recommendations to enhance the governance and oversight arrangements.
- 2.2 At the time of the Panel report being published a tabular response was provided by the PCC with a response and proposed action against each recommendation. The proposed actions were well received by Panel members in the December 2017 meeting.

3. Current Status

- 3.1 Appendix A provides the aforementioned table with the addition of a progress column against each action.
- 3.2 All actions have been implemented or are in the process of implementation so that in the event of any further large scale investment programme, over and above that of the annual budget setting programme, the recommendations can be implemented appropriately.
- 3.3 Members will note the reference to the new Portfolio Management Office arrangements that have been implemented by West Yorkshire Police, in order to enhance the coordination, challenge, implementation and review of change projects and programmes. Appendix B shows a diagram of the governance structure to bring further illustration to the progress column.

4. Conclusion

- 4.1 I thank the Scrutiny Review Team again for their work and am pleased to note the progress against the implementation of the recommendations.
